

Declaration of Domestic Partnership

The Federal Long Term Care Insurance Program

“Domestic partner” means a person in a domestic partnership with an employee, annuitant, member of the uniformed services, or retired member of the uniformed services.

“Domestic partnership” means a committed relationship between two adults, of the opposite or same sex, in which the partners meet all of the requirements below.

We attest and declare that all of the following statements are true and correct.

- ▶ We are each other’s sole domestic partner and intend to remain so indefinitely.
- ▶ We maintain a common residence and intend to continue to do so (or would maintain a common residence but for an assignment abroad or other employment-related, financial, or similar obstacle).
- ▶ We are at least 18 years of age and mentally competent to consent to a contract.
- ▶ We share responsibility for a significant measure of each other’s financial obligations.
- ▶ We are not married or joined in a civil union to anyone else.
- ▶ We are not a domestic partner of anyone else.
- ▶ We are not related in a way that would prohibit legal marriage in the U.S. jurisdiction in which the domestic partnership was formed.

We also agree to and understand that:

- ▶ We must notify the appropriate employing agency, military branch, or retirement system if, at any time between the time of application and the time coverage is scheduled to go into effect, we no longer meet the definition of domestic partnership, in which case our domestic partnership is deemed terminated. We understand that such notification must be made as soon as possible, but in no event later than 30 calendar days after our domestic partnership is terminated.
- ▶ Willful falsification of information within this document may lead to disciplinary action and the recovery of the cost of benefits received related to such falsification, and may also constitute a criminal violation under 18 U.S.C. 1001.
